REVIEW OF THE IMPLEMENTATION OF THE DECLARATION
ON THE STRENGTHENING OF INTERNATIONAL SECURITY

Letter dated 5 May 1992 from the Permanent Representative of New Zealand to the United Nations addressed to the Secretary-General

On instructions from my Government, I am asked to advise you that New Zealand has taken note of the declaration of 27 April 1992 by the Republics of Montenegro and Serbia concerning the establishment of a Federal Republic of Yugoslavia.

The New Zealand Government is still considering the effect of this declaration and therefore wishes to place on record its view that the current participation of the Federal Republic of Yugoslavia in meetings of international organizations is without prejudice to the eventual determination of the status of the Federal Republic.

I should be grateful if you would arrange for this letter to be circulated as a document of the General Assembly under agenda item 68.
